Christmas at Christ Church for our new parents

Traditionally, the main parts in our school Nativity (this year Bethlehem) are given to the older children, with the younger children taking more generic roles such as stars, travellers, stable animals etc. It is almost a 'rite of passage' as the children move up through the school and take on the bigger parts - they look forward to it!

Our church service, however, relies on our Reception children to play the parts of the main characters in the story, recreating the Nativity tableau as the rest of the school re-tell the Christmas story in a more traditional way, through songs and readings.

Both services are a wonderful way to share the Christmas story and we look forward to welcoming you.
