

Christ Church School Weekly News Bulletin

Friday 4th May 2018

The PTA disco last Friday evening was an extremely successful and enjoyable event, with the added bonus of raising funds towards our playground re-development. We did try to take some photographs for our Facebook page and Twitter feed, but the children's dancing was much too energetic! We have put one photograph on the school website page for you all to see. There were some fantastic dancers – everyone who was there will raise a smile when they think about Ethan's skill!

The Year 5/6 tennis team took part in an event at Sandylands this week and were complemented, not only on their sporting prowess, but also on their manners and team spirit. Yet again Christ Church children have made us all proud. Well done Lola, Jenelle, Mustafa and Seth!

Just another reminder that Year 1 parents are invited into school, on Tuesday 8th May, regarding the phonics assessment and an information session about the end of key stage 1 tests on Wednesday 9th May at 3pm for our Year 2 parents.

There are a number of additional dates on the website calendar for the remaining summer term and I would encourage parents to have a look.

Have a great Bank Holiday weekend, from all at Christ Church School.

Notice Board

Week beginning: 7th May 2018

Monday

Bank Holiday – School Closed
