

Christ Church School Weekly News

Friday 5th October 2018

Our Harvest Festival Service in Church was a really lovely occasion with many of our families joining us to celebrate. Thanks to all for the generous gifts of dried and canned foods which have been donated to Skipton Food Bank.

The majority of our families have now signed up to ParentMail and we have sent a test letter out this week – you should also, hopefully, receive this Weekly News directly to your device! The system automatically uses the names which we have on our school management system and some parents do not have a title logged. As a result, some parents will receive letters beginning e.g. 'Dear Cooper' instead of 'Dear Mrs Cooper'. Please let us know if you would like any changes to be made.

Next week we will be holding a very important parent information session on 'Keeping your child safe online'. The session will run at 8am and again at 5.30pm on Wednesday. We will be providing tea, coffee and child care and anticipate that the session will last for 30/45 minutes. If you would like any additional information beforehand, please contact either Mrs Cooper or Mrs Baines.

Wednesday will also be a non-uniform day, in support of World Mental Health Day. Teaching our children to develop the skills to support positive physical and mental well-being is an important part of our school curriculum. A voluntary contribution of £1 per child will be donated to Compass Buzz, The North Yorkshire Schools Mental Health and Wellbeing Project.

Have a good weekend, from all at Christ Church School.

p.s. the rice will soon be with us ...!
