

Christ Church School Weekly News Bulletin

Friday 21st September 2018

What a busy week that was! Class 3 enjoyed an afternoon developing their orienteering skills at an event organised by the Skipton Schools Sports Partnership and representatives from the Global Group attended an event at Skipton Girls' High School. As a result of this visit, the Global Group will soon be sharing details about a challenge which school will be taking part in – watch this space!

The annual Sports Morning was a fabulous family event, even though it was a little bit windy! The children enjoyed taking part in the House Games and competing against the parents, as well as running the competitive races. Well done to Yellow House – this year's winners.

It was lovely to see our families at the 'Meet the Teacher' event. The children took great pride in showing their families the classrooms along with some of the learning that has taken place so far. I know that many parents appreciated the opportunity to have an informal chat with the class teachers. The autumn term parents' evenings will take place on the 16th and 17th October – a letter will be sent home separately with details. On these dates we will also invite parents to find out about, and contribute to, the development of Our School Vision. In addition, we will be providing information about improvements to our approach to marking and feedback.

Next week we have school photographs on Monday (younger siblings can come in for family group photos from 8.30am) and the Macmillan Coffee Morning – cake donations welcome!

Have a good weekend, from all at Christ Church School.
