'Learning for Life'

Primary School

9th February 2018

Dear Parents

It seems such a short time since the start of term and yet here we are, already half way! We have managed to pack a lot of learning and exciting activities in, from success at the swimming gala and a fantastic Young Voices experience, through to an enjoyable PTA Movie Night and Balanceability training for the Reception children and that's without mentioning all the learning happening in classes each day!

The children thoroughly enjoy sharing this learning, so please do come along to our Good News Assemblies, every Friday at 2.45pm. There will also be an opportunity to look at your child's books during next term's parents' evenings on the 21st and 22nd March.

We post a range of information about day to day life in school on our website and this includes a copy of the weekly news and key diary dates. We upload copies of letters out including letters about clubs. Next half term, all clubs, except Kanga Sports Clubs, remain the same. New clubs will begin after Easter. Kanga Sports have been a welcome addition to our school, so if you would like your child to be involved in next term's KS2 'Ultimate Frisbee' or KS1 'Cheerleading' please complete the request (letters from school or on the website).

Some of you may be aware that William Bramley, one of our Reception children, was recently diagnosed with acute lymphoblastic leukaemia. William and his family are facing this with much positivity and he has very much enjoyed recent visits to see his friends in class and from his class teacher, Mrs Coates. The family have a Just Giving page in support of The Candlelighters Trust and this can be found at https://www.justgiving.com/Joanne-Bramley2?utm_source=sms
We send our prayers and best wishes to William and his family and look forward to him returning to school.

As I wish you a relaxing half term, I will finish with some exciting news. Mrs Coates and her husband have announced that they are expecting a baby in the summer. We are all very pleased about this wonderful news and know that you will join us in our congratulations to them both.

Kind regards

Mrs D Cooper
