BA (Hons), NPQH

5th September 2018

Dear Parents,

Swimming

The children in Class 5 will begin swimming lessons on Thursday, 20th September and will swim each week up to and including 25th October 2018. Swimming forms an integral part of the timetable and all children in school will be required to go swimming with their class.

Every Thursday, your child will require a suitable swimming costume (boys' shorts to be above the knee, girls to wear a one piece costume) and their own towel. In line with the swimming pool policy all earrings must be removed.

As we shall be walking to and from the pool, please ensure your child also has a suitable coat and footwear for the weather conditions on the day.

School will fund the swimming lessons, including admission to the pool, instructors at the pool and supervision of the children. At the moment we are not using a coach to transport children and therefore do not require a voluntary contribution from parents.

If your child is well enough to be in school, they are expected to participate in swimming lessons. If your child is unable to swim for medical reasons, please ask your doctor to provide a medical note for our records.

Please sign and return the attached permission slip, so that we are sure all parents have received this information. If you have any questions or concerns, do not hesitate to contact me.

Yours sincerely,

Mrs D Cooper
Headteacher

Name of child:

Class 5

I am aware my child will be swimming from 20th September to 25th October inclusive.
