Enhancing the curriculum

Next Tuesday is **Safer Internet Day** and, whilst our computing and PSHE curriculums explicitly and regularly teach our children about internet and online safety, our Digital Leaders are very much looking forward to delivering a special whole school assembly and KS2 workshops.

World Book Day takes place on Thursday 3rd March. This year the activities will enhance the developments that have taken place around developing a love of reading. The Year 6 librarians are doing a marvellous job, working alongside Mrs Baines and Ms Ray, to engage and encourage your child to enjoy books and reading.

Fairtrade Fortnight begins during half-term and extends into the first week of the new term. The children will continue their learning and understanding of global issues by taking part in activities in school.

Children's Mental Health Week takes place next week. Our school vision is that all our children will feel good about themselves, enjoy learning and achieving, and become positive members of the community. The national awareness days / weeks are a great way for us to highlight the work that takes place in our school all year round, so the children will be spending time discussing and thinking about their own and other's wellbeing.

All the children have access to wellbeing activities via their class DbPrimary page and resources for parents and carers are available under the parent tab on the school website.

Mrs Cooper and Mrs Baines are available if you have any concerns about your child's, or your own, wellbeing.

Defibrillator

We have almost raised enough money to buy a defibrillator which will be positioned on an external wall so that it can help anyone in our community in need of this lifesaving aid. The package that we are looking at also includes training for the children. So that we can complete this project, the Defibrillator Group Children are inviting everyone to wear red or hearts on their clothing on the 14th February. Please join in so that we can get the defibrillator in place.

Upcoming dates for the diary: NEW DATES ADDED IN RED

8 th February 2022 6pm	Year 6 Parents 'Secondary Ready'
14 th February 2022	'Wear a heart' defibrillator fundraising
15 th February 2022 9.30-11.00 am	Stay & Play Brunch Picnic at Sandylands
18 th February 2022	Wear Red for SELFA
18 th February 2022	Term ends
28 th February 2022	Training Day
1 st March 2022	School re-opens for children
1 st , 3 rd , 4 th March 2022	Parent Consultations

Our Vision is for our children to experience 'Life in all its fullness' (John 10:10)

Following the Christian inspiration of Jesus, our children will flourish and enable others to grow. Our school will be a place where aspiration and hope enable the growth of knowledge, wisdom and skills. Our children will feel good about themselves, enjoy learning and achieving and become positive members of the community.
