Phonics & Reading Parents Information Meeting

Please join us at 2.30pm on Tuesday 23rd November in school for information about our new phonics scheme and how parents can support their child with this and reading at home.

Our Year 6 librarians are very excited to be able to re-open our newly improved library next week. The library has been re-organised and re-stocked – the children are going to love the new books!

Children in Need – 19th November

Children are invited to dress up as who they would like to be when they grow up, or just in fancy dress!

The suggested voluntary contribution is £1 per child.

Our Vision is for our children to experience 'Life in all its fullness' (John 10:10)

Following the Christian inspiration of Jesus, our children will flourish and enable others to grow. Our school will be a place where aspiration and hope enable the growth of knowledge, wisdom and skills. Our children will feel good about themselves, enjoy learning and achieving and become positive members of the community.
