Phonics & Reading Parents Information Meeting

Please join us at 2.30pm on Tuesday 23rd November in school for information about our new phonics scheme and how parents can support their child with this and reading at home.

Parent Information Event

Please join us at 6pm on Wednesday 24th November, to hear about the school's priorities and to share your views.

Children in Need

We had a fantastic array of costumes and outfits in school today, providing some amazing ideas for future careers.

It wasn't a competition, but the best staff costume award goes to Mrs Ohren-Scott 😊

Don't forget to visit our FaceBook page to see some of the other costumes.

Well done everyone – we raised £140 for Children in Need!

Class 5

Class 5 will continue to swim this term, with the last session being the 9th December.

A small group of children in Class 5 will be holding a bake sale, during break time in school, on Tuesday 30th November in aid of the RSPCA and the WWF.

The children took part in a virtual Climate Change Conference yesterday, with schools from around North Yorkshire. The conference was a further opportunity for our children to share their views and make their pledge / take action for a cleaner, greener world.

Today, Class 5 had a virtual meeting with some children from Bumburwi Primary School in Zimbabwe. The children shared the work that they have completed as part of our joint project aiming for Zero Hunger. It was wonderful to be able to see our partner school!

Upcoming dates for the diary:

Our Vision is for our children to experience 'Life in all its fullness' (John 10:10)

Following the Christian inspiration of Jesus, our children will flourish and enable others to grow. Our school will be a place where aspiration and hope enable the growth of knowledge, wisdom and skills. Our children will feel good about themselves, enjoy learning and achieving and become positive members of the community.
