Parent Questionnaire

We have now completed an initial analysis of the results of the questionnaire, showing the majority of responses to be positive. Comments and suggestions for improvements were very helpful – thank you.

Initially, we will focus mainly on how we can improve communication about children's progress and how parents can support learning, including homework. We will provide more details soon.

Chickenpox

Please be aware that we have a current case of chickenpox in school. If you need further information please follow the link

Draft Positive Behaviour Policy

All parents will have received a copy of the draft policy and we welcome your comments. These can be provided via the ParentMail form which was sent alongside the policy.

Wear RED for SELFA

SELFA, the local children's charity, has confirmed that their annual fundraising day will be going ahead again this year. Your child can come to school wearing red, in exchange for a voluntary contribution of £1, with all proceeds going to support SELFA's work.

Before and After School Club

Sessions for both clubs can be booked online, unless you are paying via childcare vouchers when you would need to contact the school office. Please make sure you book, including the 8.30 before school session, to secure a place.

Please note that there is a strict 24 hour cancellation period, otherwise sessions will be charged.

Upcoming dates for the diary:

Our Vision is for our children to experience 'Life in all its fullness' (John 10:10)

Following the Christian inspiration of Jesus, our children will flourish and enable others to grow. Our school will be a place where aspiration and hope enable the growth of knowledge, wisdom and skills. Our children will feel good about themselves, enjoy learning and achieving and become positive members of the community.
