### 'You asked, we listened'

*Due to the COVID restrictions that have been in place, along with staff changes, some parents feel that they do not know their child's teacher well enough. Parents have also asked for more information about their child's learning and progress, and how this can be supported at home. (Parent Questionnaire feedback)*

Whole school events are a wonderful way of bringing our community together, so we would like to invite you to a Stay & Play Brunch Picnic at Sandylands on Tuesday 15<sup>th</sup> February, 9.30-11.00am. Weather permitting, families can enjoy a brunch picnic together after either enjoying some outdoor activities organised by Kanga Sports or having a chat with the teaching staff ... or both! More details will be available shortly.

We know that both parents and children enjoy sharing the learning that happens in school so we are investigating ways of being able to safely re-introduce Good News Assemblies. In the interim, we will ensure that there is a consistent approach to sharing news via our FaceBook page.

Parent consultations are scheduled for the 1<sup>st</sup>, 3<sup>rd</sup> and 4<sup>th</sup> March (first week back after half term). These will be face to face, providing a better opportunity to discuss your child's progress and attainment. Booking information will be available shortly)

Alongside the Curriculum Newsletters that are available on the class pages of the school website, we are working on providing a more detailed 'Parent's Guides' to the curriculum.

Further information about the actions we are taking in response to feedback from the Parent Questionnaire will follow in due course.

### Positive Behaviour Policy

The policy consultation included parents/carers, staff and children with comments and suggestions being reflected in the final draft. This was presented to the Governing Body and has now been formally adopted. The policy is available via the school website or a hard copy can be viewed in school. We will share the new policy with the children on Monday.

### Punctuality

Please make sure your child arrives at school for 8.55am registration. Lessons begin promptly at 9am and children arriving late will miss vital learning.

### Building Services Vacancy

NYCC are advertising for two caretaking / cleaning positions based at our school. If you are interested, please visit the NY website <https://www.northyorks.gov.uk/jobs-and-careers> or contact school.

Our Vision is for our children to experience 'Life in all its fullness' (John 10:10)

Following the Christian inspiration of Jesus, our children will flourish and enable others to grow. Our school will be a place where aspiration and hope enable the growth of knowledge, wisdom and skills. Our children will feel good about themselves, enjoy learning and achieving and become positive members of the community.
